

TN ITE001 Installing InTouch Edge HMI

ArticleBanner

# **Description**

This article from InSource Solutions shows you how to install the InTouch Edge HMI.

- Author: Daniel London
- Published: 05/22/2019
- Applies to: InTouch Edge HMI v8.1

# **Details**

The steps below show you how to install InTouch Edge.

#### NOTE:

Microsoft .NET Framework 4.7.2 is required as part of the installation. If certain updates are not installed, it won't allow you to install the .NET component of the InTouch Edge HMI installer. If the component install fails, this LINK shows you how to install the Microsoft Updates prior to installing Edge.

1. Run the setup.exe inside of the media folder.
